AMASS

AMASS

THINK GLOBALLY, ACT LOCALLY.

AMASS

THINK GLOBALLY, ACT LOCALLY.
FOR REAL.

We believe in KINDNESS

- **Acts of kindness (small & large) can create a massive movement for change.**

We believe in KINDNESS

- **Acts of kindness (small & large) can create a massive movement for change.**
- **How do we implement that?**

We believe in KINDNESS

- Acts of kindness (small & large) can create a massive movement for change.
- How do we implement that?
- How can we create a sustainable and growing movement?

So we created....

indeed

So we created....

indeed

- *indeed* is a web site that facilitates acts of kindeness, through a series of gamified challenges.

So we created....

indeed

- *indeed* is a web site that facilitates acts of kindeness, through a series of gamified challenges.
- You can choose what kind of challenge you'd like based on time, skill or goodwill or location.

So we created....

indeed

- *indeed* is a web site that facilitates acts of kindeness, through a series of gamified challenges.
- You can choose what kind of challenge you'd like based on time, skill or goodwill or location.
- You must accept the challenges of the first 10 people who accepted your challenge.

Jack will now show you around our website:

http://jackarmley.github.io/peacehackLDN-amass/

- Pretty catchy address, ain't it?

“What a marvellous idea!”

indeed
